

LouiEriksson::Graphics
::Camera::PostRender

LouiEriksson::Graphics
::Camera::Render

LouiEriksson::Time
::Elapsed

```
graph LR; A[LouiEriksson::Graphics::Camera::PostRender] --> C[LouiEriksson::Time::Elapsed]; B[LouiEriksson::Graphics::Camera::Render] --> C;
```

The diagram illustrates two function calls to a static method. On the left, two white rectangular boxes represent the calling functions: 'LouiEriksson::Graphics::Camera::PostRender' (top) and 'LouiEriksson::Graphics::Camera::Render' (bottom). On the right, a gray rectangular box represents the target method: 'LouiEriksson::Time::Elapsed'. Two blue arrows point from the right side of each white box to the left side of the gray box, indicating the direction of the function calls.
