

LouiEriksson::Engine
::Graphics::Camera::PostRender

```
graph LR; A[LouiEriksson::Engine<br/>::Graphics::Camera::PostRender] --> B[LouiEriksson::Engine<br/>::Settings::PostProcessing<br/>::Grain::IsActiveAndEnabled];
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'LouiEriksson::Engine' and '::Graphics::Camera::PostRender' on two lines. The right box is gray with a black border and contains the text 'LouiEriksson::Engine', '::Settings::PostProcessing', and '::Grain::IsActiveAndEnabled' on three lines.
