

LouiEriksson::Engine
::Settings::Graphics
::Skybox::UpdateSkybox

```
graph LR; A["LouiEriksson::Engine  
::Settings::Graphics  
::Skybox::UpdateSkybox"] --> B["LouiEriksson::Engine  
::Resources::TryGetTexture"]
```

A diagram showing a call from the `UpdateSkybox` function in the `LouiEriksson::Engine::Settings::Graphics::Skybox` namespace to the `TryGetTexture` function in the `LouiEriksson::Engine::Resources` namespace. The source function is highlighted in a grey box, and the target function is in a white box, connected by a blue arrow.
